

COCONUT RHINOCEROS BEETLE COMPLIANCE TRAININGS

**SIGN UP
FOR A TRAINING!**

biisc.org/crb-compliance-trainings/

Do you work with CRB host materials in North Kona?

(mulch, compost, palms, potted plants, green waste, etc.)

**NEW TRANSPORT
REQUIREMENTS
ARE IN EFFECT:**

Interim Rule 26-1
Dept. of Agriculture & Biosecurity

**WHO MUST
ATTEND:**

landscapers, tree trimmers, green waste haulers, nurseries and garden centers, mulch producers

A valid Compliance Agreement with the Department of Agriculture & Biosecurity (DAB) is required to transport CRB host materials within or from the designated enforcement zone. Required training must be completed before obtaining an agreement.

Failure to complete the required training in a timely manner may result in enforcement action by DAB.
